TABLE OF CONTENTS (with instructions)

Files on GitHub

The README file is where you can see all the projects I have done. Use those links to save time.

Project links in the README file is the best way to view the final project.

Folders on GitHub (Some files are too large to store on GitHub directly so a link is given)

1. IBM Attrition
    a. IBM Attirtion Folder on gdrive.txt
2. Masters Portfolio Requirements
    a. Benjamin Allen GitHub Resume March 2020.pdf
